

**Surveillance of State-Owned Enterprises (SOEs).  
Beirut, 15 to 18 of March 2021  
Venue: Institute of Finance (online)**

**Objective of the workshop:** training on surveillance of State-Owned Enterprises (SOEs). METAC would (i) present good practices linked to surveillance of SOEs, (ii) train authorities with a new Excel based tool (the SOE health check tool) developed by the Fiscal Affairs Department to analyze the financial health of SOEs and related fiscal risks and, (iii) discuss a roadmap to improve surveillance of SOEs and related fiscal risks at the level of the Ministry of Finance.

**Audience:** Ministry of Finance and representants from the main SOEs in Lebanon.

**Suggested Agenda**
