Citizen Budget

Budget Law 2024

This booklet was published in partnership with UNICEF, under the project “Enhancing Budget Transparency, Accountability and Inclusiveness in Lebanon”.

This booklet is a simplified version of the budget law for the year 2024, issued by the Institut des Finances Basil Fuleihan, in cooperation with the Directorate of Budget and Expenditure Control at the Ministry of Finance, and the NGO Financially Wise.

The booklet explains in an easy and simplified manner the general budget 2024 as approved by the Parliament, based on the document and figures published by the Ministry of Finance. It is part of the financial and fiscal awareness series, which aims at raising the awareness of citizens on their rights and obligations, hence facilitating their administrative transactions and promoting transparency and fiscal citizenship.

About the “Citizen Budget”

The "Citizen Budget" is a simplified version of the budget law that aims to facilitate citizens' access to information and their understanding of fiscal information as their constitutional right.

The document enables citizens and experts alike to familiarize themselves with the content of the general budget law and to read and analyze expenditure and revenue figures, estimates of the deficit, and other policy decisions that are included in the budget and that have a direct impact on their lives.

You can consult the Citizen's Budget for the Executive's Budget Proposal as drawn up by the Government and submitted for review to the Parliament through the following link:

What you need to know about the Budget 2024

The Budget 2024 was approved **within the constitutional deadline** and published in the Official Gazette on February 15, 2024.

The Constitutional Council suspended the implementation of the articles 40, 56, 83, 87, 94.

Constitutional Council decision on April 9, 2024

Total expenditures estimated in the Budget 2024 amount to **LBP 308,435 billion**, compared to LBP 295.113 billion in the 2024 budget proposal.

Total revenues are estimated at **LBP 308,435 billion**, compared to LBP 277,923 billion in the 2024 budget proposal.

The approved budget has a **calculated deficit of 0%**. However, this deficit does not take into account:

- Potential Treasury advances to the Electricité du Liban (EDL).
- The balance of other treasury revenues.
- The balance of other treasury expenditures.

The 2024 budget focuses on **enhancing government revenues** through:

- **The reevaluation of tax brackets**, such as for the tax on profit.
- **The dollarization** of selected taxes and fees, such as the income tax on Wages and Salaries.
- **The adjustment of taxable thresholds**, such as for the VAT.
- **An increase in selected progressive taxes**, such as for non-resident income tax.
- **The increase of various fees and fines**, such as registration fees of foreign workers and traffic fines.

 - ✓ Non-residential units:

Floor	Adjustment
Underground floors only accessible by stairs	x 10 times
Ground floor	x 20 times
Upper floor	x 15 times

If the amount paid exceeds the new fee, the difference will be deducted from future fees.

- Rental values will be increased by **half a percentage for every increase in the minimum wage in the private sector.**

Extension of deadlines

Article 41

A **6 months** grace period, exempted from fines, is granted to individuals and legal entities residing in Lebanon, to declare and settle taxes on capital revenues realized abroad. This measure applies on all types of taxable capital revenues within legal deadlines, provided they haven't been previously declared and taxed.

Article 63

The application of the **3% lumpsum fee on imports subject to VAT** (voted in 2019) excluding gasoline, industrial equipment, raw materials used for industry and agriculture, and imports belonging to the military and security, was extended until **31/12/2024.**

Key financial & economic measures in the Budget 2024

Fines

Article 72 - Tax fines in the currency of the due tax

Taxpayers **required to pay their taxes in foreign currency are required to settle any tax fines in the same currency as the due tax**, provided that the fine does not exceed the tax amount and is not less than:

- \$250 for joint-stock companies
- \$150 for partnership and limited liability companies.
- \$50 for individuals and other taxpayers.

Article 45 - Fines for violating maritime properties

Fines **ranging from US\$ 10,000 to US\$ 35,000** were imposed on individuals violating maritime properties, and the corresponding decrees were issued by the Council of Ministers. The violator is required to promptly rectify the violation; the fine is doubled in case of recurrence.

Article 75 - Persons declaring less than the due tax

Will be subject to a fine equal to **20% of the difference**, provided that it does not fall below:

- LBP 6,750,000 for **joint-stock companies**;
- LBP 4,500,000 for **partnership and limited liability companies** exempted from tax;
- LBP 750,000 for **individuals and other taxpayers**.

Article 77 - Fine for late or deficient tax payment

The fines on the late or deficient payment of taxes were increased as follows (with each part of the month considered as a full month):

- **For taxes issued by the tax administration according to the basic assessment schedules: A fine equivalent to 1% per month** of the unpaid tax amount.
- **For taxes resulting from self-assessment and other assessments issued by the tax administration: A fine equivalent to 2% per month** of the unpaid tax amount, **and to 3% per month** for taxes withheld at the source and VAT.

Article 82 - Transportation companies that transport passengers in violation

The fine was increased to US\$ **2,000** for companies found transporting passengers in violation (such as without a passport, using forged documents, etc.).

Key financial & economic measures in the Budget 2024

Exemptions

Article

14 Exempts from VAT registration and from all other tax obligations imposed during the said period, individuals who were engaged in **money delivery operations** or provided services amounting between **LBP 100 million and LBP 5 billion between 2020 and 2023**.

69 Exempts from customs duties all cars, vehicles, and machinery that have no environmental impact. These are also exempted from the consumption fee, from 70% of the initial registration fee, and from traffic fees (mecanique) upon their initial registration. This also applies to new hybrid cars, albeit in varying proportions.

76 Exempts taxpayers that did not declare their taxes or penalties prior to the reduction passed in Law 622/2005, provided their total value does not exceed **LBP 500,000**, except for:

- Taxes resulting from declarations submitted by the taxpayer based on self-assessment.
 - Requests for tax refunds submitted by taxpayers to the relevant department.
- Fractions in taxes are rounded to the nearest LBP 10,000.

Tax refund

Article

Taxes and fees are collected in Lebanese pounds, except for:

- 15**
- Shares and profits due to the Lebanese state in foreign currencies (such as the state's share in the oil, gas, and their derivatives and their sale).
 - Taxes and fees on revenues, profits, and interests payable to their beneficiaries in foreign currencies (such as departure fees for travelers by sea and air, airport fees, and taxes and fees payable on petroleum rights-holding companies and petroleum rights-operating companies).
 - Allowances payable to public administrations, public institutions, and all persons subject to public law for services provided outside Lebanese territory.

17 Individuals paying taxes on behalf of non-residents within the scope of their activities must submit quarterly declarations. Income tax is to be paid in the same currency as the income within a **15-day period from the end of each quarter**.

18 **For salaries and wages paid in foreign currency**, the salary is converted to LBP based on the exchange rate determined by a joint decision of the Governor of the Central Bank of Lebanon and the Minister of Finance. Then, the calculated tax amount in LBP is converted back into the foreign currency in which the salary was paid, based on an exchange rate determined by the Central Bank of Lebanon.
